Founded in 2017, Catawba Engineering & Environmental Services is a 100% tribally owned small, disadvantaged business participating in SBA's 8(a) Business Development program. CEES maintains its headquarters in Rock Hill, South Carolina and a regional office in Oak Ridge, TN. CE&ES is a technically diverse company providing professional consulting and project execution services on environmental, engineering, and infrastructure projects. Since its establishment, CE&ES has focused primarily on providing multidiscipline engineering, technical, management, and professional services to federal, commercial and private sectors within the five core focus areas of Catawba Corporations: Engineering and Information Services, Facility, Operations and Maintenance, Professional Services, and Security Services. Our mission is to provide services that exceed our client expectations using innovative technologies and proven management principles and systems.

Mission Statement

The mission of Catawba Corporations is to be the corporation of choice that creates economic growth and diversity for the Catawba Nation's workforce and it's brand, fueled by it's core values and the nation's rich culture and heritage, facilitated by the corporation's philosophy to be the "employer, employee, and client for life."

Core Values

Contracting Advantage

The SBA 8(a) Business Development Program enables government contracting officers and program managers to streamline procurement processes.

Through the 8(a) Business Development Program, government contracting officers can readily access the skills and expertise of Catawba Corporations with:

- Faster Procurement Cycles with Decreased Costs (48 CFR 6.303.1 and FAR 6.302-5(b)(4) and 13 CFR 124.517(a))
- Direct Award Contracting through the Sole Source Program without Executing a Justification and Approval for procurements <$100M (13 CFR 124.506(b) and FR 19.808-1(a))
