

Founded in 2017, Catawba Engineering & Environmental Services is a 100% tribally owned small, disadvantaged business participating in SBA's 8(a) Business Development program. CE&ES maintains its headquarters in Rock Hill, South Carolina and a regional office in Oak Ridge, TN. CE&ES is a technically diverse company providing professional consulting and project execution services on environmental, engineering, and infrastructure projects. Since its establishment, CE&ES has focused primarily on providing multidiscipline engineering, technical, management, and professional services to federal, commercial and private sectors within the five core focus areas of Catawba Corporations: Engineering and Information Services, Facility, Operations and Maintenance, Professional Services, and Security Services. Our mission is to provide services that exceed our client expectations using innovative technologies and proven management principles and systems.

Mission Statement

The mission of Catawba Corporations is to be the corporation of choice that creates economic growth and diversity for the Catawba Nation's workforce and its brand, fueled by its core values and the nation's rich culture and heritage, facilitated by the corporation's philosophy to be the "employer, employee, and client for life."
