 STRUCTURE**

Contracting Advantage

The SBA 8(a) Business Development Program enables government contracting officers and program managers to streamline procurement processes.

Through the 8(a) Business Development Program, government contracting officers can readily access the skills and expertise of Catawba Corporations with:

- Faster Procurement Cycles with Decreased Costs (48 CFR 6.303.1 and FAR 6.302-5(b)(4) and 13 CFR 124.517(a))
- Direct Award Contracting through the Sole Source Program without Executing a Justification and Approval for procurements <\$100M (13 CFR 124.506(b) and FR 19.808-1(a))

Core Values

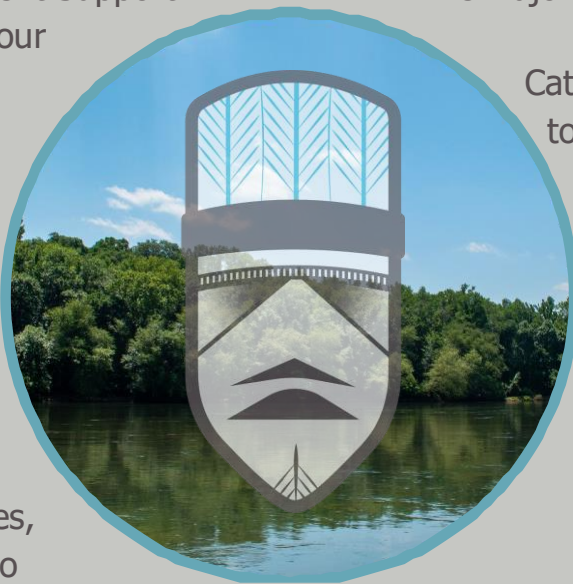

Mission Statement

The mission of Catawba Corporations is to be the corporation of choice that creates economic growth and diversity for the Catawba Nation's workforce and its brand, fueled by its core values and the nation's rich culture and heritage, facilitated by the corporation's philosophy to be the "employer, employee, and client for life."

Program Management Support Office

Catawba Corporations home office in Rock Hill, SC and the local Oak Ridge office provide a Program Management Support Office (PMSO) team to all of our projects. The Catawba Corporations project team has the necessary support infrastructure in place to support any scope of work in our core focus areas. Our infrastructure has been established to provide workforce development opportunities to our employees, prepare policies/procedures to develop our corporate infrastructure to execute work the Catawba way and manage fluctuations in staffing based on the client's needs.

Catawba corporations prides itself on exemplary service and client satisfaction. The majority of our business is from repeat clients and their referrals. Catawba Corporations is committed to integrating quality support into our activities as a vital mission success element from the very beginning. Catawba Corporations is pleased to offer our PMSO to all projects at no additional cost and can provide an array of different services such as Human Resources, Project Controls, Accounting, Environment, Safety & Health, Administration, Information Technology, Quality Assurance, Quality Control, and Contract Management.
